About Us

To cater the needs of rubber, fertilizer, pesticides, sugar and other industries, M. K. Chemical Industries got established in the year 1998. We are a renowned manufacturer, exporter, importer, trader and supplier of a wide range of products like Sulphur Powder and Sulphur Roll. These are formulated using the best quality Raw Sulphur, which is imported from Middle East. To manufacture these products, we stress over the quality with high grade ingredients as raw materials. We also monitor complete manufacturing process to ensure that the quality is maintained at every stage of production procedure. Further, the consignment are delivered in quality packaging material which are laminated and woven HDPE bags, thus ensuring the safety of the chemicals during transit stage.

Since our inception, we have kept a client centric approach which has helped us a lot in expanding our business across the country.
